**ASK US HOW WE CAN HELP YOUR CONGREGATION HAVE A
SPANISH MINISTRY**

Strengthening

If your church has an active Spanish Ministry

Growing

If your church has Spanish members but not an active Spanish Ministry

Reaching out

If your church has no Spanish members or Spanish Ministry but you are located in a Spanish-speaking community

Academia Cristo has resources to help your Spanish Ministry grow and expand no matter what scenario you fit into. Courses have been developed to help you introduce the Bible to new contacts and train leaders for ministry while materials are available to help you reach out to your neighbors. Work like this is happening now in WELS congregations in Deltona, Florida, and the Texas cities of Katy, Garland, and Houston.

Ask us how we can help you!
