

WHAT YOU CAN DO

• AMMO CAN CAMPAIGN

Request an ammo can display for your organization to collect donations in support of vital programming.

• BE AN ADVOCATE

Engage with your local church about LMSG events, news, and initiatives.

• RECOGNIZE VETERANS

Take the time to recognize the Christian Warriors in your congregation.

• DONATE TODAY

Help us support the military community through an individual donation.

I'm thankful that LMSG is **committed to spreading the gospel** and supporting the ministry. Additionally, it is wonderful that there is an organization that **focuses on our military and veterans**. The support of individuals and organizations such as you help make all this possible. My family and I are incredibly grateful.

WHO WE SERVE

We exist to provide Christ-centered support to Lutheran Military Service Members, Veterans, and their Families.

We provide assistance to both the ELS Board of Christian Service and WELS Military Services.

We seek to bring churches together with the military community in service to Christ and each other.

WHAT WE DO

• SPIRITUAL RETREATS

Our retreats are led by WELS and ELS pastors, mental health professionals, and peer support individuals. They feature sessions, devotions, and worship services that address the effects of combat deployments.

• WORKSHOPS

We offer local, one-day workshops on topics of interest to the military and first responder community.

• SCHOLARSHIPS & GRANTS

We provide financial aid and grants to eligible individuals and congregations. Grants support counseling, military contact pastor support, and outreach.

• SERVICE MEMBERS' HANDBOOK

This handbook, created by Veterans and called workers, includes prayers, Scripture, and hymns for our Military Service Members.

OUR IMPACT

Seventy percent of all donations go directly to vital programming. Since 2018, over \$260,000 has been distributed.
