

LUTHERAN MILITARY SUPPORT GROUP

Shoulder to Shoulder in Service

Greetings in Jesus' Name,

Thank you for your service as a delegate at this year's synod convention. Your work in the past year and that you will do this week is important! God bless your efforts through it.

This letter and the included files in the *Delegate Online Resource Center* serve as a brief introduction to Lutheran Military Support Group (LMSG) and the services we provide to Military Service Members, Veterans, their Families, and congregations in WELS and ELS. More information can be found on our website, www.LutheranMilitary.org.

What We Do

Our mission is to provide Christ-centered support to WELS and ELS Military Service Members, Veterans, and their Families. Two areas of primary focus are:

- Provide spiritual and mental health support and education to Christian Warriors, their Families, pastors, and congregations
- Provide scholarships to Christian Warriors who are pursuing public ministry as pastors, teachers, staff ministers, and chaplains in WELS and ELS

What You Can Do

WELS and ELS congregations and members are very generous with their prayers, financial gifts, and time. We continue to ask for your support in these areas. Two specific ways you can help:

- Share with your family and church that Lutheran Military Support Group offers education/support for trauma, moral injury, and the challenges of military service to promote healthy families
- Support our Ammo Can Campaign twice a year at your congregation. This campaign is our primary way of supporting our ministry. Ammo Cans can be ordered on our website at www.LutheranMilitary.org

Thank you for 10 years of supporting our Christian Warriors and their Families through LMSG!

He Reigns,
